Ontario Provincial Update

There was discussion about the provincial plan to earmark \$200 million of cap and trade revenue for cycling infrastructure. There is also a plan to stop municipalities from having minimum car parking space requirements which will free up land and promote transit, walking and cycling. Discussion about innovation in Ottawa, where a condo has a bike room, and building is adjacent to a bike route. Discussion about MPP Eleanor McMahon challenging Toronto Councillors to come ride Toronto streets to see how it feels to cycle in traffic without separated cycle tracks. Lisa, Alina and Dayle participated in Ontario Bike Summit Toronto cycle track tour, where they experienced the separated lanes.

Request to the Ontario Ministry of Education Regarding Cycling Education

Polly's [Motion regarding Cycling Education](#) of August 2015 was edited by staff and tabled back to BCAC. See item 5.1 in [BCAC Dec 2015 Agenda](#). Polly submitted additional correspondence indicating that Niagara Region, Grimsby and Hamilton, are/have edited her motion for their municipality's approval to send to Ministry of Education. See item 9.2 in [BCAC Apr 2016 Agenda](#). Brampton Planning &

BikeBrampton minutes

Infrastructure Services Committee approved the Motion to Ontario Ministry of Education and directed staff to prepare a report. See item 9.3 [PIS Jan 25 2016 Minutes](#). Nelson Cadete reported back to PIS. See item 7.1.1 [PIS Apr 25 2016 Agenda](#). [PIS Apr 25 2016 Minutes](#) show that Nelson's report was approved:

Report from N. Cadete, Project Manager, Active Transportation, Engineering & Construction Services, dated March 21, 2016, re: Request to the Ontario Ministry of Education Regarding Cycling Education

P&IS097-2016 1. That the report from N. Cadete, Project Manager, Active Transportation, Engineering & Construction Services, dated March 21, 2016, to the Planning and Infrastructure Services Committee Meeting of April 25, 2016, re: Request to the Ontario Ministry of Education Regarding Cycling Education be received;

2. That City Council endorse the motion requesting the adoption of mandatory cycling education in the Ontario Elementary and Secondary School curricula, on a graduated basis, integrated with existing curriculum, from grade one to grade ten, including both safety and skills training; and,

3. That a copy of the report be provided to the Ontario Ministry of Education, Region of Peel, the Peel District School Board and the Dufferin-Peel Roman Catholic Separate School Board, for information. Carried

[Council approved](#) Nelson's report to PIS on Apr 27th. See item 10.5, page 28

[Brampton Community Rides](#)

Lisa reported the first ride was judged successful, given the cold, windy, sleet and hail conditions. 16 of the 36 registered cyclists participated. Three of the 16 were new riders who are enthusiastic about signing up and bringing their families to other Community Rides, Bike the Creek and Critical Mass. Lisa noted that Mississauga's first ride 4 years ago started with 2 volunteers and the Councillor, and now is wildly successful with over 100 participants regularly. Brampton has 10 Ward Rides of 5 & 15km, all organized & posted to individual pages on the website. Eventbrite is used for registration. Lisa encouraged Council on Mar 30th to participate and promote in their newsletters and social media. See Item 5.2 [Council Minutes](#). Dayle posted blog about [first ride](#).

Action: Erica to come to the 2nd ride on May 29th to bring bike bells from Region.

Action: Lisa is still looking for volunteers for July 19th 5km Sweeper, Aug 7th 5km Leader and Snack Coordinator. All members to promote on social media.

[June is Bike Month Announcement](#) – Apr 27th

5.1. Announcement – 2016 Cycling Events

(Council Sponsor – City Councillor Bowman)

Kevin Montgomery, Co-Chair, Cycling Advisory Committee, announced the 2016 Cycling Events taking place in Brampton, and provided a presentation outlining the sponsors and partners, June 2016 Bike Month, Bike to Work Day, Bike to School Week, Bicycle Rodeo, and Bike the

BikeBrampton minutes

Creek.

City Councillor Bowman, announcement sponsor, acknowledged the efforts of Brampton's Cycling Advisory Committee in organizing the cycling events.

Several BikeBrampton and BCAC members lined the Council gallery to support Kevin. For the benefit of new members, Lisa explained that BCAC has 4 subcommittees: policy, infrastructure, programs, and Work Plan.

Regional Update

David welcomed Cherry Skerritt. Cherry came to the meeting as a resident. Members will remember her key role in our successful partnership on the [McHardy Court Bike Repair](#) Clinic of December 2014, where Gerald and Peter trained young adults on basic bike mechanic skills. Other members assisted and donated bicycles.

[Bike to School Week \(B2SW\)](#)

Part of the GTHA event under bikemonth.ca has [18 schools](#) registered in Brampton of the 38 schools in Peel. Target is 50; 25 last year. The [poster](#) has been sent out to all Peel Public Health Nurses for use in both school boards. Erica has been distributing prizes to schools who have already registered: helmets, bells, stickers, bike bracelets, [Bike Booster Safety Tips Postcards](#), and bike walk maps. The first 30 schools registered received a poster for children who bike to school to apply stickers each day. Lisa reported that last year she (as a parent) organized B2SW at Robert J Lee Public School. This year, the school initiated by signing up on their own, and then approaching her to help. Every day during bike week, her son will read aloud at announcements a different tip from our [Brampton Cycling Safety Tip Sheet](#). The Principal found the Tip Sheet on our website 'useful links'. (Kevin & David compiled this sheet in 2014 from a MTO Road Safety Challenge grant.) Lisa reminded us RJ Lee had 45-77 students from the start to the end of the week last year. Their bike racks comfortably park 55 bikes. The Principal is targeting to double the participation this year and they will need to find extra bike storage capacity. Lorie is working with Massey Street Public School, who has signed up and received their helmets, bells, stickers and poster. Their school has no bike rack. Lorie, David and Jocelyn Cann (PPH) are working with St. Lucy Catholic Elementary School on a Jun 9th Bike Fair. BikeBrampton donated traffic safety items to Centennial Senior Public School for their cycling event this week. Discussion about the main difference this year is that schools are contacting members for assistance with programming.

Secondary School Toolkit

A toolkit of 30 pages has been developed by a subcommittee of PSARTS, which encourages, explains

BikeBrampton minutes

how to create school travel planning routes. Visuals and artwork is being created for the roll-out pilot in Sept. The partners include Public Health, Public Works, PEYA, Peel Police, City of Mississauga, City of Brampton, Town of Caledon, TRCA, BikeBrampton and BCAC.

Action: Erica to update on Secondary School Committee Toolkit at next meeting.

Bike Month

Brampton's Bike Month events are posted on bikemonth.ca. Erica has worked with partners to create content for [Brampton's Bike Month Postcard](#).

BikeBrampton Project Updates

1. [Legacy Cycling Infrastructure](#) "Big Ask" for Brampton /Peel

Lisa gave background on the unusual meeting of 3 levels of government immediately following the cycling tragedy of Hardeep Singh Pahra on Steeles Avenue, Oct 29, 2015. Discussion about honouring a memory in a positive manner that acknowledges a tragedy yet moves forward and encourages an inherently safe and healthy mode of travel. Discussion about the need for more downtown bike parking and the example of beautifully and varied coloured bike racks in Kitchener. Discussion about benefits of whimsical vs more traditional design style. Discussion about the need for bike parking spread around to accommodate cyclists – example at box store plazas. However there is a need for additional concentrated parking in the downtown, for both practical and symbolic reasons. Discussion about 'bike repair posts' at Kipling subway and in Ottawa, where basic tools are ready for use of passing cyclists.

Motion: to request Brampton's arts community to design bicycle parking for Garden Square that incorporates a positive uplifting message, honours Mr. Pahra, encourages and welcomes cyclists to Brampton downtown. – moved by Polly – carried

Action: David to contact Chuck Scott (PAMA Board member & Art Advisory Committee member), for assistance in advancing the initiative of Brampton's arts community designing bicycle parking for Garden Square that incorporates a positive uplifting message, honours Mr. Hardeep Singh Pahra, encourages and welcomes cyclists to Brampton downtown.

Discussion about a tribute to Ralf Jarchow, who died while raising money for Peel Memorial. New campus is reported to be bicycle friendly. Discussion about good quality bike racks at every door of

BikeBrampton minutes

Brampton Civic Hospital.

Motion: to request William Osler Hospital Board to consider dedicating bicycle parking at Peel Memorial Centre for Integrated Health and Wellness in honour of Mr. Jarchow. – moved by Steve - carried

Action: Kevin to request William Osler Hospital Board to consider dedicating bicycle parking at Peel Memorial Centre for Integrated Health and Wellness in honour of Mr. Ralf Jarchow.

2. [Community Bike Centre](#)
(Pedalwise & BikeWrX)

Polly reported that crossing guards for both Brampton and Mississauga are hired and funded by their municipalities.

Actions from Previous Minutes:

Erica to present final CBC report at a future BikeBrampton meeting

Erica to send to Dayle when received from Trudy

Dayle to post CBC Pedalwise final report on website once it is available

All: Drop off Donated bikes: [Community Environment Alliance](#), 7-222 Advance Blvd.

3. [Brampton Kids on Bikes Project](#)

David reported that the recent PSARTS (Peel Safe & Active Routes to Schools Committee) was among the most effective he has ever attended. There was representation from all the stakeholders. Peel Public Health has committed to supporting 100 schools for travel planning by June 2017. Since each nurse is responsible for 19 schools, schools could benefit from assigning a champion to each school.

David delegated to [Peel District School Board on May 10th](#), where he:

congratulated the Board on the progress made in the past year. Peel Public Health and the school boards have signed the Healthy Schools Partnership Declaration underscoring the critical linkage between health and education, and defining the collaborative relationship between the school boards and the public health unit. Stakeholders comprising the Peel Safe and Active Routes to Schools Committee have drafted an active transportation in schools strategy framework, which sets the transportation vision and path for Peel schools where active transportation appropriately combined with public transportation becomes the normative choice for travel to and from school within the next 5 years. The program launches in earnest this fall with 100 schools across both school boards being targeted for school travel planning implementation between now and the summer of 2017. He thanked the custodial staff for installing the remaining bike racks from the 2014 Peel Bike Rack program. He noted some schools still have no racks at all. He thanked PDSB for the excellent production of the videos and “Did you Know” posters as one of the partners in the Peel School Safety Committee program, led by Peel Police that started with 8 schools in the fall and a further 8 this winter for Winter Walk Day. Events were run for both parents and the kids. The program was a rousing success within the chosen schools. Peel Police along with BikeBrampton members presented the safety videos at parent council meetings where they talked about Kiss

BikeBrampton minutes

and Ride safety, health and academic performance benefits of active transportation. Schools participated in the CAA pedometer challenge where the top school reported over 3.9 million steps by the kids walking to school during the challenge period! The top 3 schools logged more than 1 million steps each. In many of the schools more than 50% of the school population participated. Almost all of the schools want to continue with the challenge. This year, Bike to School Week plans to double the number of Peel schools participating. Over the past year, the stakeholders involved in The Peel Safe and Active Routes to Schools committee have set ambitious targets and timelines to re-establish walking and cycling as the primary way for children to travel to and from school. Continued School Board participation and support is crucial to achieving the 5 year Vision. The next 12 months will see accelerated implementation of wellness programs such as school travel planning within selected school families. Successful implementation could benefit operationally if the boards were to identify a health and wellness focal point in each school. These champions would work with Peel Public Health to implement the programs, events and actions appropriate for each school's unique health needs.

PDSB Board Chair Janet McDougald expressed support and directed the IT staff to promote Bike to School Week on the board website.

David sent an update to Dr. de Villa, Peel Medical Officer of Health, noting the improvements he has seen since Dayle's and his first meeting with her a year ago and their follow up meeting Nov 2015 and reporting on his delegation to PDSB.

Peel School Safety Committee [Peel School Walk & Bike page](#)

Presentations are being/were made at 16 schools in Brampton and Mississauga in conjunction with the [Winter Walk Day](#). Peel Police invited BikeBrampton members to help with the Q&A sessions. Dayle & David will be presenting at Faustina Public School 7pm May 18th. Members have booked additional schools. Lorie reported that David and she presented to Massey Street PS on Apr 21st to Parent Council. Lisa and David presented to RJ Lee PS on May 5th. Lorie has booked the Bike Rodeo elementary school kit from Christine Hallett at Region of Peel Police's Safety Village for Massey Street PS bike club and Bramalea CycleFest week.

[Peel Walk & Bike to School Videos](#) – Erica to request Samantha to show videos before movie nights in Garden Square Discussion about videos trailers shown before Movie nights May 21st and 28th.

Cherry asked about the Francophone School Board. Discussion followed about the large numbers necessitating bussing. The [Bike Booster Safety Tips postcards](#) are available on our website in French. PDSB and DPCDSB are in the process of translating the Peel Walk & Bike to School online brochure into 3 languages: French, Punjabi and Urdu. All 4 videos are targeted for subtitling in these 3 languages.

4. [Bike the Creek - June 18, 2016](#)

We have **367** online registrations already! Registrations typically increase as the date nears. Registration must be done by Jun 16th to guarantee the free lunch. Dayle distributed posters, flyers, business cards

BikeBrampton minutes

to members. TRCA produced a short promo video interviewing David for Bike the Creek, posted on [Youtube](#) and on our [event page](#) . David has been interviewed by Brampton Focus TV, which has been posted to [Youtube](#). It has also been posted to BikeBrampton Bike the Creek [event page](#). Page has link to registration, maps, and route information. Dayle delegated Bike the Creek at [BCAC April meeting](#).

Action: Members to tweet using: #bikethecreek and #bikebrampton

Action: Erica to request cross promotion from Dorothy in Mississauga

Action: Polly to request the Bear to promote from Joint Cycling Committees of Western Lake Ontario

Action: David to mention Brampton Community Rides while he is Master of Ceremonies at BTC

Social Media & Website

Kevin submitted a [report](#) for March and April, which shows dramatic improvement results.

Action: Kevin to discuss the significance of these results and lay out our actions, at next meeting

Action: members to send Erica bike month tweets

6. [Bike to Work Day](#) – May 30th

David reported that he is representing BikeBrampton, Dayle is representing BCAC on the organizing committee which includes City of Brampton, Brampton Downtown BIA, Region of Peel. There are 6 group rides scheduled to arrive for free breakfast at Garden Square by 7:30am. Dayle has built on Kevin's Bike to Work Day page with details as decided by the committee, including a registration page on [Eventbrite](#). Kevin, David, Lisa, Ernst, George and Dayle will be leading rides. It was reported that Strava have already had their B2WD. Discussion about benefits of a world-wide day for more leverage.

Action: members to sign up to ride and promote to their contacts and businesses.

Action: Dayle to suggest Lorie's idea for twitter promotion to committee: #thinkoutsidethecar

7. [Bicycle Friendly Business Program](#)

Lorie reported that her company, Greenfields Specialty Alcohols has installed a bike rack beside their front door, as part of their commitment to become a bicycle friendly business. Lorie has also organized a group to ride to Garden Square for B2WD.

Action: Kevin & David to coordinate the presentations of BFB Bronze awards in delegations to City and Regional Councils or at suitable event.

BikeBrampton minutes

11. MTO Road Safety Challenge David reported BikeBrampton received \$1000 grant from MTO for upcoming Bike Month. We are extending our theme of “Keeping Ontario Roads Safe Act”, which builds on our game from last year. We will use this at BikeBrampton booth at PEYA Eco-Challenge on May 21st and other booth opportunities. Lorie provided suggestions.

12. Critical Mass Bicycle Tags Lisa generously had bicycle tags printed that promote Critical Mass. She brings roll of tags each meeting for BikeBrampton members. Members are to hang tags to likely participants to encourage ridership.

New Business

1. Parachute Safe Kids Week at Century Gardens May 27th 4-8pm. Lindy Greenhalgh, Brampton Recreation requested participation in the all-day safety event. Discussion followed about how we can accommodate this worthwhile event despite previous time conflicts for most of us. Decision was made to incorporate this event into our Friday evening Critical Mass Ride. (Critical Mass is a volunteer ride not official to either BCAC or BikeBrampton. Many of our members do participate in the monthly event.)
Action: David to let Lindy know that Critical Mass will do a ‘ride in’ Century Gardens to engage the kids and answer any questions and provide safety material. - done

2. Brampton Libraries Community Spotlight – June Active Lifestyle Month Surita Dey requested BikeBrampton members participate in “Biking in Brampton Builds Community” sessions at each of the 6 libraries in the month of June. The segment is 30-40 minutes and is to be interactive with helmet safety, road safety, and statistics. The rooms are filled with light and not suitable for slide projection.
