

2017 01 19 Brampton Springdale Network Report

David and Dayle attended the BSN community meeting at Louise Arbour Secondary School on Jan 19th.

- BSN has submitted a proposal to the province to create a neighbour network HUB. Brampton Springdale is an under-serviced community and the HUB would provide space for medical, social service programs.
- BikeBrampton would have the opportunity to provide programs supporting cycling education, bike repairs and mentoring as part of this HUB.
- PCHS (Punjabi Community Health Services) has offered to partner with BikeBrampton as the lead not-for-profit to help secure grant funding.
- We promoted Bike the Creek – save the date for June 24th and distributed BTC business cards.
- BSN will be hosting a Mental Health Forum at the end of June – Soccer Centre, in Springdale. BikeBrampton is invited to have a booth at the event. – Details to follow.
- Louise Arbour SS is having their students create a BSN website and BikeBrampton along with the other partners will be invited to provide a page of content
