

2014 Accomplishments

Bike the Creek

Date: June 21, 2014

Location: Etobicoke Creek Trail in Brampton & Caledon

Watershed: Etobicoke Creek

Region: Peel

Municipality: Brampton, Caledon

Partners: TRCA, Region of Peel, City of Brampton, Town of Caledon, Cyclepath Brampton, EM Coalition and Brampton Bicycle Advisory Committee.

An enthusiastic group of cyclists met at Jim Archdekin Recreation Centre to participate in the first annual Bike the Creek event and cycle a course through trails along Etobicoke Creek. The goal of the event was to make local resident aware of the Etobicoke Creek trail, the natural and cultural heritage features that can be observed along the trail and to encourage active transportation. Participants were given a "Passport" and a choice of three lengths of trail to explore. including a 10 km family fun ride, a 30 km intermediate ride and 40 km advanced ride. Interpretive environmental stations were set up for riders to stop and learn about features of this green space. Their "Passports" were stamped and they continued along the trail. Upon completion of the ride, participants were treated to music, a barbecue lunch and a raffle with prizes courtesy of the event

Positive Environmental Impacts

Length of Event (hrs)	Length of Course	# of participants
5	10km, 30km & 40km	185
