

We acknowledge the traditional territories on which we are standing: Wendat, Anishinabek Nation, Haudenosaunee Confederacy, Mississaugas of the New Credit First Nations, and Métis Nation. We also recognize the enduring presence of the Aboriginal Peoples on this land.

Purpose:

Fun family ride through spectacular valleys, trails & historic landmarks of Brampton, Caledon & Mississauga

- Joy of cycling, learning about our environment, our history; not a race
- Keep on route; stay safe; return for lunch, prize chances & celebration
- Visit our Sponsor booths and stop at Pavilions for information
- Partners: Toronto and Region Conservation Authority, City of Brampton, Town of Caledon, City of Mississauga & BikeBrampton
- Title Sponsor: Region of Peel (Peel Walk+Roll)
- Platinum Sponsor: Toronto Pearson GTAA

Route: Follow route colour coding – it matches coloured hang tag on your bike!

- **TOWN, TORONTO PEARSON, NATURE, FAMILY**
- **TOWN** – turn left (south) from Jim Archdekin
- **TORONTO PEARSON** - turn right (east) from Jim Archdekin
- **FAMILY & NATURE** – turn right (north) from Jim Archdekin
- Follow temporary & permanent signs & arrows with coloured dots
- Follow your Passport map. Check [event webpage](#) for Google map, Strava links
- Follow instructions from Volunteers on Routes & at Pavilions
- Use your head – despite our checking, there may be vandalism that disturbs signs! If in doubt, stop and ask the next rider
- Expect to average 10km/hr for Family riders, 12 km/hr for Nature riders, 15km/hr for Town & Toronto Pearson riders
- Heart Lake Road is closed southbound to vehicles. Cycle inside the traffic cones.
- If you are falling way behind, consider turning around before the end, congratulate yourself on what you were able to accomplish and come back here for a good meal.
- If you are falling way behind on **TOWN**, eliminate the north loop, take Kennedy south.
- **TORONTO PEARSON** – New AT crossing 410 on Bovaird Trail. Tomken Road is closed to vehicles. Stay in the lane. New bicycle Cross Ride in downtown Brampton, from James St, across Queen St to Scott St – obey bicycle traffic signal.

Staying Safe:

- Ensure your bike is working properly. Visit our sponsor [Velofix Caledon](#) on site for mini tune-up before ride. Have a professional tune-up ahead of event! Check out our sponsors: [The Cyclepath Brampton](#), [Caledon Hills Cycling](#) or [Velofix Caledon](#). For bike problems on route, contact tim@velofix.com 1-855-835-6349. You might be covered for assistance under your CAA membership.
 - Wear a helmet; mandatory for cyclists under 18
-

- Wear sunscreen and bring water bottle – stay hydrated! Refill water bottles at every pavilion. Check out our [Heat Illness Information](#) on Bike the Creek webpage
- Cycle without ear buds/headphones; listen for bike bells, horns & birds singing
- Stop and pull off path to tweet **#bikethecreek**
- Put garbage into the bin or hold it until you get back to Peel Waste Pavilion, where all garbage is sorted for zero waste event
- Staggered start; not a race – keep a reasonable distance so you can stop quickly
- Pedestrians have the right of way – sound your bell & pass cautiously
- Keep right except to pass – on the path and on the road
- Ride in single file – it's the Bylaw on Brampton's roads
- Yield to slower traffic
- Indicate LEFT, RIGHT turns, SLOWING or STOPPING
- Be cautious of narrow paths, blind curves and hills– slow down!
- Obey traffic laws, signs and lights
- Transition on temporary asphalt ramps between pathway & roads – cross roads with care
- Choose one of 3 ways to make **left turns at road intersections**:
 1. Stop before intersection, dismount, walk bike across when safe, turn left, walk across when safe, mount and start riding when traffic clear
 2. Stay right, ride through the intersection, stop, turn left on signal or when way is clear, ride through intersection
 3. Shoulder check, when way is clear, signal, move to left lane, turn when clear, proceed, signal, pull back over to the right side of road
- In the event of trouble, there are volunteers stationed all along the route. Ask for help. Tell a passing rider.
- Immediate stop and pull over if emergency vehicles are approaching from front or behind
- Never ride through flooded waters in case the ground beneath is not stable.
- Report flooded areas to event volunteers or organizers.

Pavilions:

- Get your Passport Map stamped at each Pavilion
- Expect to spend about 5 minutes at each Pavilion (remember, it's not a race)
- Pavilions will have water to top up your water bottle (no cups = no garbage generated!)
- Pavilion staff can tell you distance to next Pavillion, next toilet, how far you have come & how far until the end
